HOW YOU CAN HELP

THE WORLD’S MOST EFFECTIVE animal protection organization, The HSUS is sustained by a community of animal lovers who show their support in many ways. “Helping The HSUS to achieve big wins for animals has been a source of pride and inspiration to me,” says longtime donor Audrey Burnand. “I have followed and supported the staff’s valiant work to get pigs out of gestation crates, to end horse slaughter and the cruel practice of horse sorng, to stop inhumane hunting practices such as bear baiting and wolf trapping, and to help animals in crisis. Seeing the great progress The HSUS is achieving on these and many other animal welfare issues has added so much purpose and meaning to my life.”

Every gift you give, no matter how large or small, helps us carry on the work of confronting cruelty in all its forms.
