Abuse. *See* Activism

Activism

- approaching owners, 313
- being observant and aware, 313
- “discipline” or “training” abuse, 315–316
- educating others about abuse or neglect, 316–317
- educating yourself about welfare issues, 319–320
- following up with animal-control officers, 314
- fostering rescue horses, 323
- getting to know your neighbors with horses, 317
- horse councils, 322
- how horse lovers can help, 320
- joining advocacy organizations, 324–325
- knowing local and state laws regarding animal neglect, 313–314, 321
- legitimate reasons for horses to be in poor shape, 314

- making donations for, 323
- managing your own horse's care and, 319
- national and local equine organizations, 322
- notifying animal-control authorities about neglect or abuse, 313, 314
- notifying show officials about suspected abuse, 315–316
- official follow-ups, 314
- “see no evil” strategy, 315
- serving as an example, 320–321
- speaking out against cruelty, 312–317
- supporting businesses that share your beliefs, 318
- supporting legislation, 321–322
- volunteering opportunities, 322–324
- voting with your wallet, 318–319
