Dear Mr. Spira,

On Friday, December 20th, Dr. Temple Grandin visited the plant for initial consultation regarding design and installation of a kosher restraining device. It was then decided to have Dr. Grandin design a restraining device that would compliment the operation. On December 27th, Dr. Grandin forwarded me the drawings. Enclosed is a copy of her letter for your reference.

Currently, the drawings have been presented to a fabricator for a budgetary proposal. Hopefully, I will receive the proposal within the next week or so. I will continue to keep you updated on our progress.

Additionally, I have not yet received your reply to my letter dated September 18th, 1991. I have enclosed a copy of the letter and would appreciate a timely response.

Sincerely,

Brian G. Oedzes
